July 17, 2013

To Whom it May Concern:

Brandon Lee White is in a word, "Spectacular!" He is energetic, funny, and brings a terrific message. Our students were spellbound during his performance when he brought that awsome sauce feeling to our summer! We highly recommend Brandon Lee White for any group of students that needs a push to be courageous and step towards a leadership role.

Yours in Education,

Timothy M. Fitzgibbon

Program Director
