

# FUNDING OPTIONS

## (HOW TO BRING BRANDON TO YOUR SCHOOL)

- 1. Team Up with Another School:** Share Brandon with a nearby school/youth organization and save! Bookings must be during the same day. Forward a link to [www.brandonleewhite.com](http://www.brandonleewhite.com) and share your plan with the other school.
- 2. Designated Funds:** Associated Student Body fund or Staff Development -- Title VI funding, are potential options.
- 3. Local Businesses:** Ask a local business to sponsor/support the assembly. (Kiwanis, Lions Club, Elks, Rotary Club, Chamber of Commerce, etc.)
- 4. PTO/PTA:** Present your plan and they might help you fund the event.
- 5. Collaborate with School Clubs:** Have multiple school clubs team up in order to increase organization and effectiveness. It is also a good way to teach students about funding skills.
- 6. Grant Options:** Research and file for federal or local grants to fund Brandon's speech which will educate on a cause supported by the grant. Contact us for help with this process if needed.
