REVIEWS

"Brandon is one of the best speakers I have ever had the pleasure to work with. He delivers a powerful message in a very student-friendly manner during his keynote addresses. He is also a tremendous small group workshop presenter. If you are looking for someone who can deliver not only a message but also entertain and educate at the same time, Brandon Lee White is your guy!"

-Kyle Gordon(Illinois Student Council IASC Associate Executive Director)

"I had Brandon speak at our state conference in front of 2000 attendees, and he received a standing ovation. It can sometimes be difficult finding quality speakers who truly make a difference and are worth the money. Brandon was a fantastic choice, and his humor and emotional impact kept students captivated the entire time. He spoke on taking ownership of who you are and what you want. Brandon also gave us applicable resources and training in addition to inspiration. Students were raving about how moving his presentation was. Furthermore, he took time meeting and greeting students afterward. I recommend Brandon for any of your speaker need."

-Matt Alley (Director of MASC/MAHS)

"Brandon's dance workshop demonstrated risk taking and was terrific! Brandon's instructions and demonstrations were so easy to follow. The teens and teachers loved it – didn't feel like leadership training at all but it was! Highly recommend this program for leadership training."
